

U.S. Patent Application Serial No. 10/797,764

Reply to Office Action of 4/16/07

REMARKS

Applicants note that the Amendments to the Claims section has been corrected as noted in the Notice of Non-Compliant Amendment dated February 15, 2008. Line 6 of claim 1 now corrected a typo by replacing the comma with a semi-colon before the word "and." Claim 1 has also been amended to underline the comma inserted in line 9 after the word "gasket" and to underline the comma inserted in line 12 after the word "spacer." Line 2 of claim 11 has been amended to correct the typo in the words that were struck out from "~~at least one~~" to "a least one," as originally filed. In light of the corrections set forth herein, Applicants respectfully request full consideration of the Amendment and Response submitted August 9, 2007.

Respectfully submitted,
